Film Production Guidelines

Welcome to the City of Los Angeles, Department of Recreation and Park. In our partnership to protect the environmental integrity of our parks the Park Film Office is providing guidelines to ensure a safe and successful film shoot. Please review and provide copies of these guidelines to the appropriate responsible persons. Thank you for the continuous use of our parkland.

- **Okay to film at Runyon Canyon middle area @ dog park area on 12/5/15.**
- **Ok for Hand held equipment, lights, battery pack.**
- **Cast & Crew of 10 or less on the weekends.**
- **Okay to have no more than 10 total cast and crew on trail and park.**
- **Okay to be on trail as long as company does not block trail at anytime.**
- **Company must street park.**
- **Okay to have walk and talk exterior dialogue on trail.**
- **Not permitted to have generator.**
- **Must have monitor present at all times.**
- No alterations to the landscape permitted.
- Must not damage turf.
- No heavy or large equipment permitted to be on trail that may block access or create a hazard.
- No staking into ground in park.
- Company can have intermittent pedestrian control on trail under the discretion of the monitor's judgment.
- Cannot block or stop people from accessing or using trail.
- Permit valid as long as company stays within approved guidelines.
- Permit will be void if company do not follow guidelines and will have filming shut down.
- No special effects, weapons or stunts permitted in park.
- Company must work around park patrons and maintenance crews.
- Vehicles and/or heavy equipment are not allowed on turf areas unless prior approval is given by the Park Film Office.
- Production companies must provide their own restroom and trash receptacles. The City dumpsters and trash cans cannot be used so all self-generated trash has to be removed and disposed of off-site.
- Film permits do not provide exclusive use of a park or recreation area.
- Service roads, parking lot driveway access, handicap or electric vehicle designated parking stalls may not be blocked or restricted. Emergency vehicle access lanes must be maintained in parking lots and park streets at all times.

MEDIA PERMIT

- A 20 Foot unobstructed lane must be maintained between parked vehicles/trailers in all parking lots and Recreation and Parks roadways for emergency vehicle access.
- Due to underground plastic irrigation lines and trees having shallow root systems, staking or drilling into turf, rocks, trees or asphalted areas is not permissible unless prior approval is given by the Park Film Office. This approval will be noted in the permitted guidelines.
- Locked park gates can only be accessed by a Park Film Office Monitor. Security of open gates must be provided by the permitted company. Any equipment that is permitted to stay overnight must be guarded by the permitted company's security group.
- Nudity is not allowed at any time on city park property, no exceptions.
- Company is responsible for bringing in their own restroom facilities and cannot use public park restrooms for their cast and crew.
- Company must bring in own trash receptacles and remove all trash generated by company prior to leaving location. Company cannot use parks trash receptacles.
- If company uses the parks water or electricity, the company will be invoiced post filming $75 per used utility per day. If companies use more water or electricity than the $75 use fee covers, the company will additionally be invoiced for the remaining balance.
- Alterations to natural or manmade surroundings or content of the park are not permissible unless documented in these specific guidelines. The permit holder is financially responsible for all remediation should there be any damage or unauthorized alteration to Department property. The remediation and cost of will be determined by the Park Film Office.
- A Park Film Office Monitor(s) may be assigned to the permitted location. Their job is to ensure guidelines are followed, liaison between park patrons, other City employees and a communication link between Permitee and the Park Film Office for any additional needs or authorizations. When the Park Film Office is closed the Park Film Monitor has the authority and responsibility to modify these guidelines within the parameters given to them by their supervisor. The Park Film Monitor has access 24/7 to contact their supervisors if needed. The Permitee will be required to adhere to the instructions, restrictions and requests given by the Park Film Monitor.
- Smoking is prohibited on all Department properties. An exception has been made for permitted film production companies to smoke in areas that are designated by the Fire Safety Officer or Park Film Monitor. If a Fire Safety Officer or Park Film Monitor is not assigned to the Permitee there will be no smoking with the exception of an actor smoking while performing or as part of the scene.
- A designated smoking area may not be near any patron activity or facility. Large buckets of sand or water must be placed in this area for disposal of tobacco or tobacco related products. The designated smoking area may be revoked or not allowed depending on weather and location conditions. Failure to comply with the smoking restrictions may result in a fine.
